ABOUT EVCC

We work to recognize, sustain, and support the architectural and cultural character of the East Village.

EVCC MEMBERS

- Advocate for the preservation of local historic resources and significant architecture
- Promote pedestrian and cycling safety among all users, especially children
- Publish the Get Local! Guide to encourage shoppers to support diverse, locally-owned retail

JOIN US! If you feel as passionately as we do about local community in the East Village, join the cause:

Visit the Local Businesses in this guide

They are the lifeblood of the East Village and deserve our support.

You'll help acknowledge our village preservation organizations, volunteers, locally elected representatives, the community's spiritual leaders, and all the embattled merchants, artists, and loving neighbors that keep the heart of the East Village beating.

Thanks to our many volunteers and sponsors who make all of our important work possible.

EcoBizNYC is a **free** program, that is offered to small businesses in the East Village and Lower East Side only. Visit www.ecobiznyc.org to find resources for business owners, and learn how to get started.

Participating businesses receive ratings based on their efforts to reduce their environmental impact and are profiled on the Ecology Center's website

EcoBizNYC, as a program of the Lower East Side Ecology Center, is working for a healthier community by decreasing environmental impacts and increasing community awareness, involvement and youth development. The Ecology Center works toward a more sustainable New York City since 1987 by providing community-based recycling and composting programs, local stewardship of green space and educational opportunities.

EcoBizNYC is funded by Community Board 3 and Con Edison.
